Xerox® EC8000 Series Color Multifunction Printer

Smart, secure, and connected Workplace Assistant.

XEROX® EC8036/EC8056

xerox™

Xerox® EC8036/EC8056
Color Multifunction Printer

Xerox® EC8036*/EC8056 devices provide new levels of capability and connectivity for mid-size and large workgroups and busy offices. With Xerox® EC8036*/EC8056, your extended workforce has instant and secure access to the documents, data, and workflows it needs to work faster and more efficiently — from any location and with any device.

SMART AND PRODUCTIVE

From its tablet-like user interface to its right-out-of-the-box mobile-friendly connectivity options, the Xerox® EC8036/EC8056 is the color multifunction device today's workers need.

Easy to manage as a standalone device or as part of an entire fleet, it's designed to enable fast multitasking and collaboration. Create customized 1-Touch Apps to automate multi-step workflows. Simply tap your new app to quickly perform the job you configured. And save time by scanning to multiple destinations, including a USB drive, network location, and SMB share location, all in one operation.

With the touch of a button, you can go to our Xerox App Gallery and download simple yet powerful serverless apps to your Xerox® EC8036/EC8056 printers to increase user productivity and shorten everyday tasks.

Built-in mobile connectivity, including Xerox® @PrintByXerox App, Xerox® Print Service Plug-in for Android™, Airprint®, Mopria®, and optional Wi-Fi Direct provides the time-saving convenience your workforce needs.

POWERFUL AND SCALABLE

Provide interactive training and support right from your desktop with our remote control panel. Enable serverless fleet management with Fleet Orchestrator. Configure a single device once, then let the Fleet Orchestrator deploy and manage configurations automatically and share automated workflows across devices.

Fewer maintenance hassles, less IT support, high-capacity paper trays, and the ability to print on varying paper sizes add up to increased uptime and greater productivity. Scanning, printing, and faxing can be done simultaneously, allowing for multitasking during peak periods — and the Office Finisher LX allows you the flexibility to create any document type, including booklets, brochures, and pamphlets.
BUILT-IN SECURITY

Enjoy comprehensive security through our strategic approach to preventing intrusions and keeping documents and data safe. Our partnerships with McAfee® and Cisco® proactively address risks at the individual device, fleet, and network level.

By interacting with the market-leading McAfee® DXL and Cisco® pxGrid platforms, Xerox® EC8036/EC8056 printers employ an orchestrated response that neutralizes threats at their source the moment they occur.

Multiple layers of security include data encryption, disk overwrite, and industry certifications. The innovative Configuration Watchdog ensures your Xerox® EC8036/EC8056 printers remain configured in accordance with your security policies.

COLOR WHERE IT COUNTS

With a high resolution output of 1200 x 2400 dpi, photo-quality color images and crisp text will give your documents clarity and impact.

ENABLING A CIRCULAR ECONOMY

How do you make a great product better? Design it for sustainability. This product, while newly produced and upgraded, contains a percentage of reused components.

All parts meet the same high standards of quality, reliability and performance as newly manufactured parts.

We're proud to support manufacturing principles that contribute to a safer, more sustainable and circular economy. You will be too.

CHOOSE THE CONFIGURATION THAT MEETS YOUR NEEDS

1 Single-Pass Duplex Automatic Document Feeder (DADF) saves time by simultaneously scanning both sides of two-sided documents at up to 139 impressions per minute.

2 Convenience Stapler (optional, while supplies last) staples up to 50 sheets of 20 lb/80 gsm media.

3 Bypass Tray handles up to 100 sheets of 20 lb/80 gsm, also feeds up to 110 lb Cover/300 gsm media.

4 Two 520-sheet adjustable trays. Tray 1 handles media sizes up to 11.7 x 17 in./A3 and Tray 2 handles media sizes up to 12 x 18 in./SRA3.

5 Envelope Kit (optional, while supplies last, replaces Tray 1) provides trouble-free feeding of up to 60 envelopes.

6 High-Capacity Tandem Tray Module brings the total paper capacity up to 3,140 sheets.

7 Office Finisher LX (optional) gives you advanced finishing functions at a great value.

8 Booklet Maker for Office Finisher LX (optional, while supplies last) offers crease/score and saddle-stitch booklet making capable of 60-page booklets (2 to 15 sheets).

9 Offset Catch Tray (OCT)

10 Xerox® Integrated RFID Card Reader E1.0 (optional) adds card-based authentication with support for over 90 access cards.

11 Near Field Communication (NFC) Tap-to-Pair allows users to tap their mobile device to the Xerox® EC8036/EC8056 user panel and instantly connect with the MFP.

MOBILE DEVICE-LIKE TOUCHSCREEN SUPERIORITY

Our 10.1-inch color touchscreen user interface sets a higher standard of customization, ease of use, and versatility.

By presenting a familiar "mobile" experience — with support for gestural input and task-focused apps that share a common look and feel — fewer steps are needed to complete even the most complex jobs.

A highly intuitive layout guides you through every task from start to finish, with a natural hierarchy placing commonly used functions front and center. Don't like where a function or app is located? Want faster access to the app settings? Easily customize the touchscreen's layout to make it yours.

This unmatched balance of hardware technology and software smartly helps everyone who interacts with the Xerox® EC8036/EC8056 to get more work done faster.

Visit **xerox.com/WorkplaceApps** to find apps by industry or workflow. Software and services: Xerox® DocuShare® (**xerox.com/ecm**), XMPie® (**xerox.com/XMPie**), Xerox® Workplace Solutions (**xerox.com/WorkplaceSolutions**)

* Xerox® EC8036 model not available in all sales channels
[1] Maximum volume capacity expected in any one month. Not expected to be sustained on a regular basis
[2] Available while supplies last
[3] Certification available post launch

FACTORY PRODUCED NEW MODEL

This is a Xerox classification for equipment that is disassembled, then sent for manufacture as a significantly updated, new generation, per predetermined standards. These units may contain new and reconditioned components that meet Xerox new-product specifications. Each Xerox® EC8036/8056 follows a predetermined manufacturing process and is newly serialized. Devices may or may not contain new software and/or firmware.
